

M. Francisco Palomo: Rothenberg is an exemplary councilor

I know Quaverly Rothenberg and she is the best Ward 3 city councilor we have had in my many decades as a resident. Her work on behalf of every issue we face in Ward 3 is exemplary. It is a sad and false narrative to say she is uncivil.

She is generous and kind and engaged. Her urgent call to DPW during the ice storm was to protect our public safety. Instead of joining her to insist that our streets be safe others chose to bully her. That is not right.
